C • Black Pharaoh Cultist • 1

2 0

The Brotherhood of the Black Pharaoh serves Nyarlathotep in his aspect as the Black Pharaoh.

1

U • Moon Beast • 2

3 1

Pale, toadlike creatures, having no eyes but instead a mass of pink tentacles at the end of their snout.

3

C • Deep One • 2

2 1

They were the blasphemous fish-frogs of the nameless design—living and horrible.

3

C • Coven Witch • 1

1 1

The Chesuncook Witch Coven practiced dark magic and praised Shub-Niggurath's name.

C • Arkham Graveyard • 3

Though the candle spluttered with stiffling reek of the place, I felt singularly at home in the musty, charnel-house air

3 3

U • Istanbul Basilica Cistern • 4

The columns are wet and smooth, and water drops into the sunken palace that is the Basilica Cistern

3 6

U • Mountains of the Moon • 7

The dead temples on the mountains were so placed that they could have glorified no wholesome or suitable gods
